Finding us: Artis Head Office

By Train: Old Street and Angel are our nearest tube stations.

By Foot:

- From Angel station: The Artis head office is a 5 minute stroll from bustling Angel, Islington. After short stride along Upper Street, take the first turning on the right down Duncan Road. At the end of the road saunter left onto Colebrooke Row and then right onto Noel Road. At the end of the road twist right and strut onto Wharf Road. You will find us just steps away on the left.
- **For a more scenic stroll**, ditch the roads for a canal side walk. After that short stride along Upper Street and taking the first turning on the right down Duncan Road, you will see a path leading down to the canal on your right. Wander along the path to the first set of stairs, bobble up and you will find yourself on Wharf Road. Quick right here and you will find us just steps away on the left.
- From Old Street: Just a 10 minutes prance from Old Street. You will find the Artis head office by toddling up City Road. Take a right onto Wharf Road, after a two minute amble you will find us on the right.
